Getting a mobile phone

Choose the proper mobile option for you

Imagine that your phone is broken and you need to buy one, which mobile would you like?

- Calculate your budget (global and per month),
- Identify and choose the mobile you would like,
- Search online stores, phone operators offering discounts and others selling unlocked phones and compare costs.

Which purchase option do you find most appropriate? (**Fill-in Table*)

Option 1 – unlocked mobile phone

	Total	Mobile payment	Costs of the Fee	Landline Internet costs	Long-term contract penalties (yes/no)
Costs/month					
Costs/year					
TOTAL					

Option 2 – Mobile operator

	Total	Mobile payment	Costs of the Fee	Landline Internet costs	Long-term contract Penalties (yes/no)
Costs/month					
Costs/year					
TOTAL
