Accident / Illness

Car Accident Checklist (you may keep a copy in your car)

- 1. Check to see if anyone needs urgent medical care.** If yes, try to help them if you know how to stop heavy bleeding. Do not move seriously injured people unless it's a life-threatening situation (combustion of the car). Call an ambulance.
- 2. Call police** (don't discuss the issue of fault with the other party involved)
- 3. Get the facts about the accident.** For this purpose, you will need to have:
 - ✓ Car accident form
 - ✓ Information about the driver of the other vehicle:
 - name
 - address
 - phone number
 - ✓ Information about the other driver's insurance:
 - insurance company
 - insurance number
 - ✓ Information about the car involved in the accident:
 - vehicle description – colour
 - model type
 - year
 - vehicle registration information
 - plate number
 - consider taking photos for your record
 - ✓ Information about the car accident or collision:
 - date and time of the accident
 - address or approximate address
 - road or nearest street
 - directions of the travel
 - notes about weather
 - if there are witnesses, you will need their names and contact information
 - write down the name of the police officer that arrives at the accident scene
- 4. The next step is to inform your insurance company, they will give you information on how to proceed.**
